

**REMARKS**

A Notice of Non-Compliant Amendment was received by Applicant. The Notice stated that claims 8 and 11 were non-compliant. In response, these claims are amended to be compliant. In particular, claim 8 is amended to delete the comma after "opened" which now makes the comma added before "sheets of printing material" correct. In claim 11, the word "controllable" is deleted and the correct spelling is underlined, "controlable."

All the claims are relisted for convenience of substituting these claims for the claims in the previous amendment. The arguments stated in the previous amendment still apply.

**Conclusion**

This Application is now believed to be in condition for favorable reconsideration and early allowance, and such actions are respectfully requested. The examiner is invited to call the undersigned in the event that a phone interview will expedite prosecution of this application towards allowance.

The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company, Deposit Account No. 05-0225.

Respectfully submitted,
